Dear Ms. Hawaii:

This letter shall confirm that you have referred the above-referenced personal injury case to this office for prosecution. As I indicated to the client, I have agreed to do my level best to see that Mr. Avalon is compensated for the losses he sustained as a result of his injury.

This shall also confirm that Butler Viadro, LLP has agreed to pay to your firm a referral fee in the amount of 15% of the net attorneys' fees recovered in this civil suit.

If the above referral fee comports with your understanding of our agreement, please sign where indicated on the space below, and return this letter in the enclosed envelope. By copy of this letter, Mr. Avalon has been advised of the foregoing arrangement in writing.

Very truly yours,
